

DEAR STAR ACADEMY PARENTS,

Important Friendly Reminders:

At this time, we know there are many questions and concerns that you may have about what our school is doing since the COVID-19 crisis. As always Star Academy's main priority is the well-being of our families and staff. Our staff has been working diligently to maintain the cleanliness of our school. We are doing everything we can to minimize the spread of any communicable diseases.

We had a visit from Southern Nevada Health District recently and they have placed some new regulations to keep our families and staff safe during this time.

- All employees, gaurdinans, and vistors must wear masks.
- We will ensure that each child is screened by tempeature (per the CDC, 100 degrees F is a fever) if a child has a fever they will not be allowed into our facility.
- All bedding must be brought home and washed daily.
- All toys, playground equipment, and surfaces must be disinfected and sanitized after each use.

July Newsletter 2020

Summer is HERE!

- *Welcome back to some of our families that have been away due to the COVID-19 pandemic. We have missed you and are happy to have you join us again.*
- *We are continuing to do water play outside and inside! (inside water play is being used with a sensory table and if it is 100 degrees or over outside we do not take the children out for their safety.)*

Happy Birthday

To all the July babies!

Hope it's a great one!
